

Alexandra Park Primary School
Care, Aspire, Achieve

Friday 16th September 2022

Another fantastic week in school - it has been great to pop into classes and see all the fantastic work the children are doing. It was lovely to see so many parents at our 'Stay and Read' this week. We are continually looking for opportunities to share the children's learning with you, and we know this is an event that the children love sharing with you.

Today's assembly was the announcement of our new 'Wellbeing Ambassadors'. It was an absolute pleasure to listen to the staff explain why these children had been chosen. The common theme was that they consistently demonstrate our school values of Care, Aspire, Achieve and they are outstanding role models to others. All of the children chosen should be extremely proud of this achievement and I look forward to seeing them around school in their yellow t-shirts.

Reception

Reception have been having fun in the mud kitchen this week. The children worked together to plant herbs and flowers to make mud pies! They enjoyed using their senses to investigate and explore.

Year 2

In Year 2 this week, we have been practising our chopping, grating, juicing and peeling skills with different fruits and vegetables. This is part of our DT project where the children will be designing and making a meal for Alfie the tortoise in the book Esio Trot.

Year 3

Year 3 have been learning yoga in PE. The children have been learning to use correct breathing techniques, yoga poses and mindfulness focusing their attention on keeping their mind calm. They have learned several poses such as the Mountain Pose and the Giraffe Pose.

Year 4

Year 4 have been using charcoal, chalk, erasers and brushes to create different effects. They enjoyed creating freeze-frame artwork inspired by illustrator Laura Carlin. Below are some examples of their fantastic work.

Wellbeing Ambassadors

This week our Stars of the Week were our new Wellbeing Ambassadors. The children chosen today have demonstrated that they are outstanding role models of our school values of Care, Aspire, Achieve. They were very excited to meet with Mrs Millward today, who will be supporting the children in their new role. Congratulations again to our new Ambassadors!

Stay and Read

Thank you to all the parents and carers who joined us for Stay and read this week. It was so lovely to see so many of you and even better to see the children enjoying books and stories. We hope to see you all again next Thursday from 8.40 until 9.10.
