Headteacher's message

Merry Christmas all. It has been a fantastic half term but the last few days have taken it to a whole new level, and I hope set everyone up for Christmas. The plays and carol concerts were fantastic, and staff commented on how much they appreciated all the thank yous from parents. Our school's parents association have done a fantastic job of organising events and gifts - I thought the carol singing, hot chocolate and mince pies after school tonight was perfect. Have a great Christmas everyone!

Nursery

We have had a fantastic week in Nursery celebrating Christmas. We were so excited to meet the reindeers, we enjoyed having a visit from Santa and we have done some beautiful Christmas crafts. We also loved singing some Christmas songs with our families too. The Nursery team would like to wish all of our families a Merry Christmas and a Happy New Year!

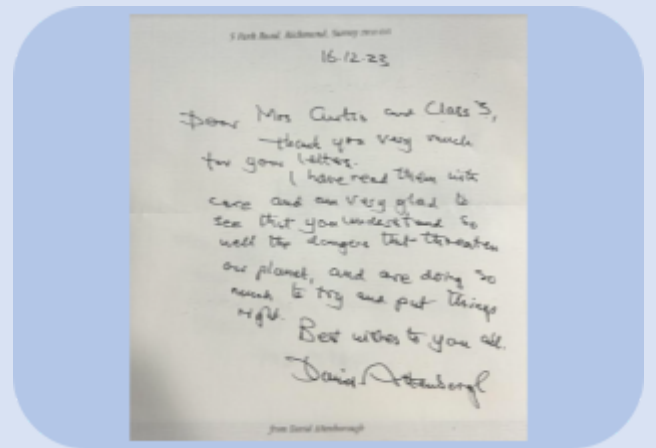

Year 1

We were extremely excited to see the reindeer this week. They were very friendly and we loved learning all about them. This has been just one of the many festive activities that we have done. What a great week!

Year 3

A few weeks ago the children all wrote an open letter about how to join the fight against climate change. Mrs Curtis sent the letters to David Attenborough and we were shocked to receive this hand written response!

Year 4

Year 4 loved our final Christmas week and we were especially proud of the lighthouses we made on our DT day.

Year 5

For the last three days we have been really busy having fun. We have had a glow in the dark disco, an Elf breakfast, seen reindeer, met Santa, decorated biscuits, present wrapped, had hot chocolate whilst watching a film and to finish the week - a class party. We hope you enjoy our Christmas songs. Merry Christmas from Year 5.

Choir

On Wednesday, the choir of Alex Park had the opportunity to sing at a local community event at Stockport County. Not only did they sing, they had lunch and got to meet many of the players, too. They even got their autographs and also were given a Stockport County hat.

They were amazing!

On Friday, the choir sang at a local care home, Plane Tree Court. They sang for the residents and got to meet some of them, too. Well done everyone!

Reading Newsletter - Autumn 2

Please take a look at some of the fantastic things we have been doing in school to develop our love of reading and exciting opportunities we have coming up.
