

PARLIAMENT

Autumn 1

**What are working on
together to improve our
school?**

READING

- Looking at ways for more children to read in different places, with different children. Year 5 and Year 3 'Reading Buddies' at Monday lunchtime.
- How we can further improve our library. We discussed having themes around the library so children can locate books easier and more library visits.

ART

- Looking into more school trips for art and bringing in artists into our school to do an assembly and work with children and different year groups
- Displaying more of children's artwork around the school and in classrooms – showcasing

PLAYGROUND LEADERS

- We discussed ways to help children in the infants – ideas for games and how to resolve issues. We've been helping them with games on the KS1 playground.
- Next, we are visiting Queensgate Primary School to meet their play leaders and share ideas for games.

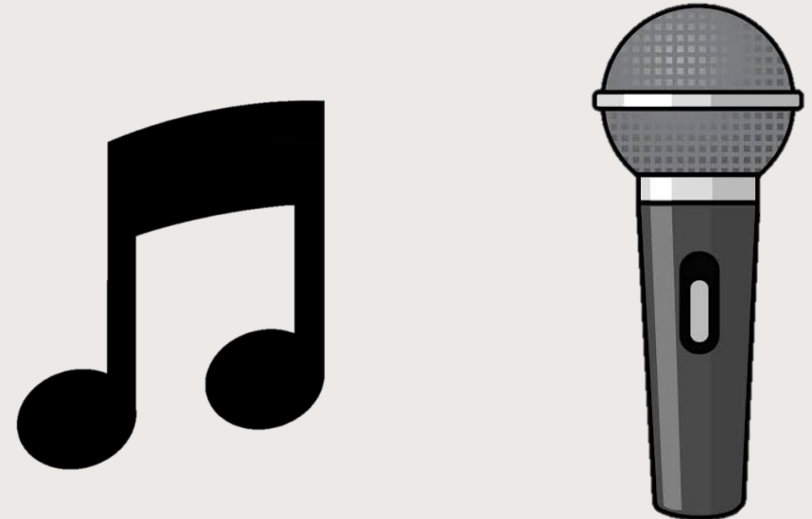

WELLBEING

- We discussed the need to raise an awareness of 'Digital Wellbeing' and how to stay safe online.
- Preparing an assembly on digital wellbeing and avoiding scams.
- Poster making around school for top tips on keeping safe online. Avoiding a sheep mentality and standing up for what is wrong.

MUSIC

- We discussed UKS2 children taking a lead on music in assemblies.
- We want to look into the choice of different songs.
- Reviewing what instruments we learn in our school and if we can offer something else.

ANTI-BULLYING

- Creating an assembly on anti-bullying and how this makes people feel.
- Promoting the use of lunchtime club so everyone has a safe place to go inside and someone from the anti-bullying council there to support them, check in and talk to (badges on).

ECO

- Save the planet by challenging littering.
- Creating posters about not littering.
- Picking new litter pickers in each class.

SPORTS

- Supporting and communicating all of our upcoming sports events across school
- Giving more feedback on how to improve PE lessons.
