### Headteacher's Message

Another fantastic week in school! We were blown away by the amount of families who joined us for our Red Nose cake and coffee event. It was great to see so many smiling faces in the various places around school, and we also raised money for a great cause.

We continually talk about creating as many opportunities and experiences for our children as possible. This week two of our Year 3 children had the opportunity to represent our school at The Climate Action Assembly at Stockport Town Hall. We could not be prouder of them, and would also like to say thank you to Mrs Curtis for supporting them (See below for me details).

.. . .

### Nursery

We had a fantastic time participating in Pedal Day this week. We were so impressed to see the children's riding skills progressing so well and it was lovely to see them enjoying riding their bikes and scooters with their friends. They negotiated the space well and enjoyed racing each other across the playground too!

### Reception

Reception had lots of fun during Pedal Day this week. The children enjoyed demonstrating their balance, coordination and physical skills. We also talked about how our body feels after exercise.

### Year 3

In DT, we have researched, designed and made a fabric coin purse for a particular purpose and user. We made these out of felt and designed our own decorative accents to go on them. We also got to practise our sewing skills too!

### The Climate Action Debate - Stockport Town Hall

This week two members of Y3 were selected to represent our school at The Climate Action Assembly at Stockport Town Hall. They joined in a debate about several climate action ideas and then voted for the idea they felt would benefit Stockport the most. The children were incredibly confident and respectful during the debate. They were the only children to seek out the organisers and thank them for the event. A real crest to our school.

### Comic Relief - Coffee and Cake Event

It was great to see so many of our families at our cake and coffee event today. The children had an amazing time eating cake and completing the Red Nose activities. We also raised a lot of money for a great cause too!

Thank you to **Burnt Butter Bakery** for their kind donation of cakes for the raffle. All money raised has added to our total to donate to Comic Relief. Thank you.
