

Alexandra Park News

Friday 17th July 2026

We have been absolutely blown away by everyone's generosity for our sponsorship event. Thanks to your incredible support, our playgrounds are going to be amazing!

We are extremely grateful and would really appreciate it if you could pass on our thanks to everyone who donated. We spoke to the children today, and they all agreed it had been a fantastic day in school as well as raising money for such an exciting project.

Thank you again for your support – it really does make a difference.

Assembly

This week, we were excited to launch the **Summer Reading Challenge** in assembly! This year's theme is '**Read to the Beat**', encouraging children to enjoy reading throughout the summer while collecting rewards and certificates along the way. Children can take part by visiting their local library to collect their resources or by joining the challenge online. We hope as many children as possible will get involved – it's a fantastic way to keep reading over the holidays, continue developing a love of books, and give them something wonderful to celebrate with their new teacher in September.

EYFS

Reception enjoyed their summer walk to the park, where they used their senses to explore nature. The children listened to the birds, looked at the trees and flowers and talked about how the seasons change throughout the year. They shared their observations with their friends and enjoyed learning about the world around them.

Alex Park World Cup Event

On Thursday, our children had a fantastic time taking part in our **Alex Park World Cup**! Throughout the day, they enjoyed a variety of fun football-themed challenges, all linked to our school values. It was wonderful to see so much enthusiasm, encouragement and positive sportsmanship on display. Well done to everyone who took part – we were so impressed with your energy and fantastic attitude!

KS2

Art Council

Today, 6 members of the Art Council visited Plane tree Court Care Home to share in an inter-generational art activity with some of the residents. They practised warm up skills such as 'taking your pencil for a walk' and 'continuous line drawing' with their favourite colours before moving on to a doodle activity. It was brilliant to see everyone have so much fun and both the children and residents gained so much from the session. We're looking forward to returning next year!

Safety in the Community

As we continue through a busy academic year, we would like to kindly remind all families to take extra care when driving around the school grounds, particularly during drop-off and pick-up times. With many children moving around and our roads being quite narrow, it is especially important to drive slowly, stay alert, and be mindful of pedestrians at all times.

Thank you for helping us keep our school community safe.
