

Alexandra Park News

Friday 22nd November 2024

Dear parents and carers,

Thank you to everyone who attended our recent online safety training. I hope you found it informative and helpful.

We understand that not everyone was able to join the session but may still want access to the information shared. You can view a recording of the session using the link below [Online Safety Training Recording](#)

The recording is just over ten minutes long and highlights some key challenges we've observed that affect our children and families. It also outlines practical steps we can take, both individually and together, to help keep our children safe online.

Thank you for your continued support in making our community a safe and positive environment for all.

Assembly Focus

It was great to have some professional basketballers in to help inspire our children

Star of the Week

Occasionally I have to be out on a Friday and miss my usual Star of the Week slot. I'll be catching up with all the children this week and add their photos to next week's newsletter.

EYFS

This week in Nursery and Reception we enjoyed Pedal Day. We talked about keeping safe on the road for road safety week. It was lovely to see how well the children are progressing with their physical skills.

E-safety update

As discussed in the e-safety workshop, in our newsletter we will send links to articles and features we think will help you keep your children safe online. This first link takes to yo the home page of the online safety hub

KS2

To support their learning in Beliefs & Values, Y4 and Y5 have been visited by Groundbreakers for a *Diary of a Disciple* workshop. This included exploring a comic-style version of Luke's Gospel, as well as taking part in craft and drama activities. We had lots of fun!

Year 6

This week, Year 6 had the privilege of a visit from Kirsty Hart JP, a local magistrate, as part of their PSHE learning. Kirsty shared fascinating insights into what it means to be a magistrate, how the court system operates, and the responsibilities involved in upholding the law.

The session was interactive and engaging, helping pupils understand the importance of justice, fairness, and making responsible choices. It was an invaluable opportunity for the children to explore real-life applications of the law and how it impacts our community. A big thank you to Kirsty Hart for inspiring our future citizens.

Upcoming event

Please find details about a Christmas crafts afternoon Alexandra Park Parents Association (APPA) are hosting in December. All of your support is always appreciated. Thank you.
