

Alexandra Park News

Friday 6th February 2026

Dear Parents and Carers,

Since I have been at Alexandra Park, I have often heard people speak about how fantastic Janet, our lollipop lady was. Until last year, I had never actually met her, but when she came into school for her retirement event, it was easy to see why she was so well loved. She was clearly a kind and caring person who deserved all the appreciation she received.

As many of you will already know, sadly she has passed away. Her funeral will take place on **Thursday 19th February**. If any families would like to pay their respects, the funeral procession will be passing '**Janet's Crossing**' between 2:45 and 3:00pm.

Assembly

The theme for National Storytelling Week 2026 was **Soundtrack your story**. Music connects us to words. It helps us express who we are and how we see the world. Research highlights that exploring stories through lyrics can be an effective way to read for enjoyment. This week, the children have enjoyed taking part in a reading lyrics quiz, buddy reading with different aged children and exploring a range of new story magazines as a fun way to engage with reading with their peers. Keep up the great reading, Alex Park.

Stars of the Week

It was a pleasure as always to chat with our 'Stars' this week. They were very proud to share why their teachers had chosen them this week. They also had some very interesting ideas about what they would do if they were headteacher for a day. Well done all!

EYFS

Reception went on a road safety walk around the school. We talked about how to stay safe near roads and learned about the Green Cross Code. We talked about stopping, looking, listening, and thinking before crossing the road. We also discussed safe places to cross and why it is important to hold an adult's hand. The children did a great job listening and taking part.

KS1

Year 2 opened a 'shop' in the classroom this week. The children have been learning about money and practised choosing the right coins and giving change.

Sports Council

This week, the Sports Council had a fantastic opportunity to visit The Snow Centre in Trafford. Together, they put their bravery and skills to the test! They thoroughly enjoyed the various activities and kept smiling despite the cold!

KS2 - Young Voices

The choir of Alex Park, with children from Year 2, 3, 4 and 5, joined 8,000 children to sing in the largest children's choir concert in the world. The event took place at the Co-op Live Arena, Manchester and following a full afternoon's rehearsal with schools from Wales and the North of England they were ready to perform, amaze the audience and to have the time of their lives. The children were lucky enough to be able to sing, dance and perform with Urban Strides dance group, Alex Spencer, Aneesa Folds and many more artists to celebrate Young Voices 30th Anniversary season.

All the children sang so well, a true testament to all their hard work and dedication in learning all the songs and dance moves since September. The song choices ranged from Disco Fever, a Sea Shanty medley and a medley of songs from the musical Wicked. This amazing opportunity was a truly inspiring experience for all the children who took part, one that we're sure will stay with them for a very long time.
