

Alexandra Park News

Friday 26th June 2026

There is no doubt the weather has made this week challenging for children and staff in schools across the country. What I want you to know above all else is just how amazing our children have been. They have continued to be kind, respectful and positive, showing the same great qualities they do every day. We couldn't be prouder of the way they have approached the week.

A huge thank you to our staff too. Our focus has simply been on keeping everyone safe and comfortable, so the days have looked a little different, with more water breaks, more time in the shade, a slower pace and, of course, ice pops today! Thank you to all our families for your continued support. Finally, thank you to all our parents and carers. Thank you for making sure children came to school with water bottles, for your understanding and support throughout the week, and for working with us as we adapted to the conditions. It has very much been a team effort, and it is greatly appreciated.

Assembly

This week's assembly will be an additional Star of the Week Assembly!

Stars of the Week

Bringing all of the children together in the hall today, given the heat, didn't feel like the right thing to do. For that reason, we have decided to postpone our Stars of the Week assemblies.

We will celebrate all of this week's Stars of the Week at the start of next week, giving them the recognition they deserve while ensuring everyone remains as comfortable as possible.

Thank you for your understanding.

EYFS

Our EYFS children have loved exploring ways to keep cool in the hot weather! From splashing in water trays to enjoying ice play and relaxing in the shade, they've had lots of fun while learning about staying safe in the sunshine. ☀️💧

KS1

Year 2 have been learning about coasts in Geography, and this week we designed our own coastal town perfect for tourists! We thought about all the things we'd like to do at a coastal town and predicted what we might see during our trip to St Annes beach!

KS2

Year 4- Venture Out Trip

Our Year 4 pupils had a fantastic day at Venture Out, taking part in a range of exciting outdoor activities including a river study, kayaking, archery and bouldering. Despite the extremely hot conditions, the children approached every challenge with enthusiasm and resilience. Throughout the day, they demonstrated excellent collaboration, determination and teamwork, supporting one another and giving their best in every activity. We were incredibly proud of their positive attitude and the way they represented our school.

Eco Warriors Trip to Bruntwood Park

Our Eco Warriors had a fantastic trip exploring the nature and environment around Bruntwood Park. They enjoyed discovering local wildlife, observing the natural surroundings, and learning more about caring for our environment.

To finish off their adventure, everyone enjoyed a lovely ice-cold treat to help cool down! 🌿 🍦

Safety in the Community

As we continue through a busy academic year, we would like to kindly remind all families to take extra care when driving around the school grounds, particularly during drop-off and pick-up times. With many children moving around and our roads being quite narrow, it is especially important to drive slowly, stay alert, and be mindful of pedestrians at all times.

Thank you for helping us keep our school community safe.
